Rec-Lite is the newest segment of the watercraft world. Sea-Doo created the Spark back in 2014, and that is what started the whole category. When the Spark came out they were in high demand because of the price, and since supply was low they were hard to get. 4 years later they're easier to get ahold of, and now you have many more color options along with many new upgraded features they've ...

In the spirit of the oil consumption thread, I am starting this up as I believe it is as relevant to the B8 platform as the oil consumption issues. There have been more and more of the timing chain tensioner failures popping up in posts so I think it would be beneficial to the community if we consolidate the information in a stick (paging admins)...
