I bought this book to go with "Go math student edition 4th grade" and "Go Math reteach book". My student is doing great went from N to B in one term. The 2 go math 4th grade books are what my student uses in class and the reteach is a break down of what these books are asking for. Perfect Combinations. Highly recommend all of them.

The Math 4 (3.0) works a little differently than the 2.0. The academic content is the same as always and includes over 100 hours of multimedia instruction! However, each course is now delivered online as a 12-month subscription (per student). This obviously means no more discs (and, importantly, no more need for expensive disc replacements).
