Hello, I am looking at buying a big red.:TrikesOwn I thought that 84 honda stopped chain drive on the Big Reds and switched to shaft drive and added reverse on all models. I came across a seller of 2 1984 Big Red's that had high/low but no reverse. Did honda make Big Reds with Reverse and no Reverse in the same year? What is the difference between 200E and 200ES??
