Like others have said, it's just the problems, no answers. I bought this for my son to use along with the textbook. I teach the lesson from the book, and then have him do the workbook page. Very convenient! The problems in the workbook are more challenging than the ones in the book, so you'll definitely have a good understanding of the math skill!!

**Holt pre algebra homework and practice workbook answer key ...**

An answer key is nice but it does not teach you the math. Nor does a solutions manual when you are old enough that they come with your math books. They show you the solution and how THEY go to the answer but as you will find out sometimes the book does some pretty stupid stuff to get to the answer. I don't know about your answer key.
