HP block ? 179 with 186 crank - posted in Engine: Hi,, I am sorry if there are posts for this question but I have done a few searches and come up with nothing. I have been offered a HP block which I believe is a 179, the engineer that is doing a friends machine work on his block said that if you put a 186 crank in the HP block then it will be a 186 ? so I take it from that the bore is the same ...
