Ecology Unit for a high school Biology course. The rationale behind my decision is two fold, first students have a difficult time understanding the cycling of materials, energy, and food within an ecosystem. Students have misconceptions about how organisms obtain food; they believe it is taken directly from the environment, as we do.

Ecology Unit Plan - Bowling Green State University

Have students do this "Principles of Ecology" crossword puzzle. This "Food Webs" activity uses index card and colored markers to construct a Food Web on the chalk or white board.
