I bought my extended warranty through Lexus at time of new purchase for about \$1300 I think. The only reason I bought it is because they offered a \$1200 refund at the end of 7 years if I hadn't made a claim on it. This warranty covers me for 7 years or 100K miles, and a zero deductible if I go to ...

While there are many ways to go about this and it can probably be done a lot cheaper with a bit of creativity, this is merely the path I chose to take. There's no denying that the GS is an awesome car to drive in factory automatic trim, but the addition of a third pedal should really unleash this luxury cruiser's true potential.
