Harley-Davidson recently announced that it will no longer be offering its factory remanufacturing program for 1984 and later Big Twins. Those who want their Big Twin powerplant serviced can turn to S&S Cycle by participating in its rebuild program.. After sending in your engine to S&S, customers will get the same powertrain back and can keep the original VIN along with the existing performance ...

### **S&S V-Twin Engine Rebuild Program | | Motorcycle Reviews ...**

Harley-Davidson owners with old and tired engines can now replace and upgrade their powerplants through a new engine replacement service from the company called the LongBlock Program. The company says the new program is designed to be more flexible than the outgoing remanufacturing program because ...

### **Harley-Davidson's New LongBlock Replacement Program ...**

> I've been considering Harley's "factory rebuild" program. I used the rebuild program in 2005 on a 1997 1340cc EVO. As i recall the complete out the door price was about \$3,800. The engine has done well since the event but I did discover that H-D doesn't necessarily replace most components but if anything is within spec they leave it as original.

### **Harley rebuild program, or ....? - Google Groups**
