My question for your guys is this: What is the largest engine that I could successfully upgrade my Sport with? Are different engines going to be as reliable as my G23LH, because that thing is an amazing motor. I'm looking into upgrading the engine because I am seeking a higher top-speed; I use my Goped to commute to work.

Hey guys, new to forum and scooters but very mechanically inclined. I bought a used goped sport with no cylinder head,carb or exhaust. Wondering what are my engine options. I got a used engine but it's from a gsr40 and I think I bought the wrong motor. Can I use some parts from it or should I just buy another engine all together.

Goped sport motor options - ADA Racing BilletBoard/GopedNation
