Have 2004 Road King Custom, just passed 10,000 milles, When I turn on the switch on the console, everything is fine. When I push the run button, the check engine light comes on and the efi gets the gas feed like normal then goes out. A second or two later the check engine light comes on in yellow for about 3-4 sceonds,then goes back off.

Check Engine Light | Harley Davidson Forums

I have a 2001 Road King, the check engine light came on a week ago. the best Harley shop around w/ computer scope/etc can not find the problem. The light does not come on when you first start the bake, but the light does comes on as soon as you shift into first and take off and stays on as long as I am moving.
