Lapbooks are paper manipulatives using file folders in which the student stores creative summaries of their work. The concept is similar to notebooking and some notebooking resources can be used in lapbooks, but the concepts do differ. Lapbooks are more than just notebooks with collections of worksheets, they are diagrams, minute books, and other paper manipulatives customized to emphasize the ...

I homeschool my kindergartener, and I've been eager to try this! I was first worried that making a lap book would take too much time/energy right now, because I've got to babies, as well. However, once you mentioned that the lesson seemed to stick with the kids longer through this process, I am now convinced to try them!
