Service Manual - Galerie-photo

The repair techs were sent to Sweden for hands-on training. I have had the privilege of quite a few lengthy conversations with a repair tech with decades of experience in Hasselblad repair. There is no substitute for experience, there are tons of minute detail-differences in the same camera model and basically the manuals don't help you there.

I'm wondering if anyone knows a source for Hasselblad repair manuals. There is one I've found which seems to be someones home made one. While it might be good I'd prefer to have a factory manual Basically I often have lenses which need repairs and after awhile it gets very expensive to have the shops do all the work.

Hasselblad Lens Repair | Photrio.com Photography Forums

Hasselblad engineers have never found any evidence to show that the life of a spring is shortened if the spring is kept tensioned, even after extended periods on non-use. Hasselblad suggests that cameras and lenses be stored in the wound position.

Hasselblad camera repair and maintenance advice.

Repairing and Maintaining Classic Cameras. Every camera has its day (in the shop) ... Hasselblad and Leica recommend that you run a roll of film through cameras in storage every year or so. Dry firing them whenever possible will make sure that the internal springs and gears don't freeze up. ... Cannot repair older manual Canons. Can repair ...
