We all know how hard it is to find parts when restoring a classic vehicle like a Jensen C-V8. This list was put together by Eric Christoffersen who has completed an award winning restoration of a Jensen C-V8 - It is quite amazing! Thanks for this Eric and if anyone else knows of an alternative parts or sources of illusive parts please let me know and I'll add them to the list.

Sukh, sorry to pull this up again, but can you confirm two things please. Firstly, when removing the controller from the bottom of the steering column, once the little torx screw is removed does it just fall down, or is there another latch internally that needs ot be removed with a 2.5mm drill bit or similar (got this bit from VWvortex) ?
