Ask your unique question using the form below; Common Questions About Scooter Brands. Question: How do I choose? Answer: Well, as I explained above, there is no one right answer to the best scooter brand. What's best for you might be different than what's best for me. You have to weight all the factors, read reviews, take test rides if you can and then come back here and ask informed questions ...

Ask your unique question using the form below; Common Questions About Scooter Repair & Maintenance. Question: What type of motor oil is best for scooters? Answer: I'm not sure there is one right answer to this, but the prevailing wisdom seems to be that you should refrain from using synthetic motor oil for the first 1000 miles. Other experts here recommend that 15W-40 oil is best, after that ...
